**MOTION FOR LEAVE TO FILE ELECTRONICALLY**

Carl Olsen (“Mr. Olsen” hereafter) requests leave to file electronically and is familiar with the ECF (Electronic Case Filing) system. Mr. Olsen is a professional web developer employed by Drake University and is familiar with electronic document management.

If Mr. Olsen’s Motion to Intervene is granted, this motion should also be granted because it will relieve the burden on the court staff of manually scanning Mr. Olsen’s documents in to large PDF image files so that can be inserted into the electronic case filing system, and it will ensure that the parties to the case are able to access documents quicker and easier.

Mr. Olsen has previously been granted leave to file electronically in the United States Court of Appeals for the District of Columbia, In Re: Coalition to Reschedule Cannabis, No. 11-5121 (July 12, 2011) (See Exhibit #1), and Americans for Safe Access v. DEA, No. 11-1265 (September 1, 2011) (See Exhibit #2).

Dated this 27th day of December, 2012.

Respectfully submitted,

---
